CALL FOR PAPER

The Control Systems Society Chapter, IEEE Malaysian Section and Faculty of Electrical Engineering, Universiti Teknologi MARA are pleased to announce the 4th IEEE International Conference on Control System, Computing and Engineering which will be held at Parkroyal Penang Resort, Batu Ferringhi, Penang, Malaysia on 28th - 30th November 2014. This event provides an excellent platform for knowledge exchange between researchers, scientists, academicians and engineers working in the areas of control system, computing and related engineering fields. In addition, it is an opportunity for the participants to share research findings and establish networking and collaborations.

Conference Tracks

Authors are invited to submit original, unpublished papers on all aspects of control system, computing and engineering including but not limited to the following technical areas:

- Artificial Intelligent and Optimization Systems
- Automation and Robotics
- Autonomous and Navigation Systems
- Bioinformatics
- Biomedical Engineering
- Computer and Information Engineering
- Control and Systems Engineering
- Mechanical Systems and Mechatronic
- System Identifications
- Signal and Image Processing
- Sensors and Sensing Techniques
- Other related areas

Submission of Full Paper

Prospective authors are invited to submit full papers (up to 6 pages, double columns of A4 – single space font size 10 point minimum), in English, through online submission at http://acscrg.com/iccsce/2014 by 18 August 2014. All papers will be blind-reviewed by at least two independent reviewers and the authors will be notified via email.
