CALL FOR PAPER

The **IEEE Control Systems Society (CSS), Malaysia Section Chapter** is pleased to announce the 2024 14th IEEE International Conference on Control System, Computing and Engineering (ICCSCE2024) that will be held on the **23 – 24 August 2024** at **Batu Ferringhi, Penang, Malaysia.** Due to the significant influence of **COVID-19** on everybody's life, the ICCSCE2024 Organizing Committee has decided to conduct the conference via F2F for local participants and hybrid environment for international participants. All participants can present their papers and participate in all the sessions and activities during the event. This is a great challenge and opportunity for everybody to present and discuss the latest technology advancement in Control System, Computing, and related engineering fields.

This event provides an excellent platform for knowledge exchange between researchers, scientists, academicians, and engineers working in the areas of control system, computing and related engineering fields. The conference also offers all participants the opportunity to collaborate and to be a part of the latest technological developments in control system and computing, to network with researchers in these areas and to remain competitive in the fourth industrial revolution (**IR4.0**) era. Note that the proceedings of ICCSCE2023 and earlier ICCSCE proceedings are available in **IEEE Xplore** successfully and indexed by **SCOPUS.**

Conference Tracks

Submission of original, unpublished papers on any aspects of control system, computing and engineering are welcomed including but not limited to the following technical areas:

- Control and Systems Engineering
- Automation and Robotics
- Sensors and Sensing Techniques

- Artificial Intelligent and Optimization Systems
- Signal and Image Processing
- System Identifications

- Computer and Information Engineering
- Data Analytic and Big Data
- Internet of Things (IoT)

- Biomedical and Biomechatronics
- Rehabilitation Engineering
- Bioinformatics

- Drone Technology and Applications
- Autonomous Vehicles
- Navigation Systems

- Other Related Areas

Submission of Full Paper

Authors are invited to submit full papers (up to 6 pages, double columns of A4 – single spacing, font size 10 point minimum, font type Time New Roman), in English, through online submission at **www.acscrg.com/iccsce2024** by **01 April 2024.** Authors are advised to check the similarity index (SI) of their paper is below than 25% before submitting.
All research papers will be blinded peer reviewed on the basis of a full-length manuscript and acceptance will be based on quality, originality and relevancies. Accepted research papers of ICCSCE 2024 will be submitted for inclusion in IEEE Xplore and indexing by SCOPUS.

Conference Fees
