**CALL FOR PAPER**

The **IEEE Control Systems Society (CSS), Malaysia Section Chapter** is pleased to announce the 12<sup>th</sup> IEEE International Conference on Control System, Computing and Engineering (ICCSCE2022) that will be held on the **25 – 26 August 2023** at **Batu Ferringhi, Penang, Malaysia**. Due to the significant influence of **COVID-19** on everybody's life, the ICCSCE 2023 Organizing Committee has decided to conduct the conference via F2F for local participants and hybrid environment for international participants. All participants can present their papers and participate in all the sessions and activities during the event. This is a great challenge and opportunity for everybody to present and discuss the latest technology advancement in Control System, Computing and related engineering fields.

This event provides an excellent platform for knowledge exchange between researchers, scientists, academicians, and engineers working in the areas of control system, computing and related engineering fields. The conference also offers all participants the opportunity to collaborate and to be a part of the latest technological developments in control system and computing, to network with researchers in these areas and to remain competitive in the fourth industrial revolution (**IR4.0**) era. Note that the proceedings of ICCSCE 2022 and earlier ICCSCE proceedings are available in **IEEE Xplore** successfully and indexed by **SCOPUS**.

**Conference Tracks**

Submission of original, unpublished papers on any aspects of control system, computing and engineering are welcomed including but not limited to the following technical areas:

- Control and Systems Engineering
- Automation and Robotics
- Sensors and Sensing Techniques
- Artificial Intelligent and Optimization Systems
- Signal and Image Processing
- System Identifications
- Computer and Information Engineering
- Data Analytic and Big Data
- Internet of Things (IoT)
- Biomedical and Biomechanics
- Rehabilitation Engineering
- Bioinformatics
- Drone Technology and Applications
- Autonomous Vehicles
- Navigation Systems
- Other Related Areas

**Important Deadline**

Full paper submission

**22 May 2023**

Notification of acceptance

**19 June 2023**

Registration and camera ready

**17 July 2023**

Conference date

**25 – 26 August 2023**
**Submission of Full Paper**

Authors are invited to submit full papers (up to 6 pages, double columns of A4 – single spacing, font size 10 point minimum, font type Time New Roman), in English, through online submission at [www.acscrg.com/iccsce2023](http://www.acscrg.com/iccsce2023) by **22 May 2023**. Authors are advised to check the similarity index (SI) of their paper is below than 25% before submitting.

All research papers will be blinded peer reviewed on the basis of a full-length manuscript and acceptance will be based on quality, originality and relevancies. Accepted research papers of ICCSCE 2023 will be submitted for possible inclusion in IEEE Xplore and indexing by SCOPUS.

**All enquiries should be  
 directed to:**

**Conference Fees**

Participant	Local (Face to Face)		International (Virtual)		International (Face to Face)	
	IEEE	Non-IEEE	IEEE	Non-IEEE	IEEE	Non-IEEE
Student registration	RM950	RM1150	USD200	USD250	USD300	USD350
Normal registration	RM1500	RM1800	USD300	USD350	USD400	USD450
Attendee	RM300		USD50		USD100	

**All fees are inclusive of registration and copy of proceedings. Morning tea breaks, lunches and afternoon tea breaks are provided for F2F presenters at the event. The fees are exclusive of bank transfer charges. Payment and registration can be made at [www.acscrg.com/iccsce2023](http://www.acscrg.com/iccsce2023).**
