ICCSCE2026

2026 16th IEEE International Conference on Control System, Computing and Engineering

Organizing Secretariat

Conference Advisor
Zakaria Hussain

General Chair
Siti Noraini Sulaiman
Secretary
Saiful Zaimy Yahaya
Treasurer & Local Arrangement Chair
Rozan Boudville
Publication Chair
Muhammad Khusairi Osman
Publication Co-Chair
Ramli Adnan
Technical Program Chair
Nooritawati Md. Tahir
Technical Program Co-Chair
Iza Sazanita Isa
Publicity & Registration Chair
Khairul Azman Ahmad
Webmaster
Abdul Rahim Ahmad

Important Deadline

Full paper submission
28 February 2026
Notification of acceptance
31 March 2026
Registration and camera ready
31 May 2026
Conference date
27 – 28 June 2026

CALL FOR PAPER

The IEEE Control Systems Society (CSS), Malaysia Section, is pleased to announce the 2026 16th IEEE International Conference on Control System, Computing and Engineering (ICCSCE2026), which will be held on **27–28 June 2026** at Batu Ferringhi, Penang, Malaysia. The ICCSCE2026 will be conducted in a hybrid format. Local participants must attend in person, while international participants may opt for either virtual or in-person participation.

All participants, regardless of location, will have the opportunity to present and share their research findings, and engage in every session and activity throughout the event. This will also be a valuable opportunity for all participants to share and discuss the latest advancements in control systems, computing, and related engineering fields.

ICCSCE2026 provides an excellent platform for knowledge exchange among researchers, scientists, academicians, and engineers in the fields of control systems, computing, and related engineering disciplines. The conference offers participants the opportunity to collaborate on the latest technological advancements, network with peers, and stay competitive in the evolving AI era.

Please note that the proceedings of previous ICCSCE editions are available in **IEEE Xplore** and indexed by **SCOPUS**.

Conference Tracks

Submission of original, unpublished papers on any aspects of control system, computing and engineering are welcomed including but not limited to the following technical areas:

- Control and Systems Engineering
- Automation and Robotics
- Sensors and Sensing Techniques

- Artificial Intelligent and Optimization Systems
- Signal and Image Processing
- System Identifications

- Computer and Information Engineering
- Data Analytic and Big Data
- Internet of Things (IoT)

- Biomedical and Biomechatronics
- Rehabilitation Engineering
- Bioinformatics

- Drone Technology and Applications
- Autonomous Vehicles
- Navigation Systems

- Other Related Areas

Submission of Full Paper

Authors are invited to submit full papers (up to 6 pages, double columns of A4 – single spacing, font size 10 point minimum, font type Time New Roman), in English, through online submission at **www.acscrg.com/iccsce2026** by **28 Feb 2026.** Authors are advised to check the similarity index (SI) of their paper is below than 25% before submitting.
All research papers will be reviewed on the basis of a full-length manuscript and acceptance will be based on quality, originality and relevancies. Accepted and presented papers will be included in the conference proceedings and submitted for possible inclusion in IEEE Xplore® Digital Library, subject to IEEE quality standards and indexing by SCOPUS.

Conference Fees

Participant	Local (In-Person)		International (Virtual)		International (In-Person)	
	IEEE	Non-IEEE	IEEE	Non-IEEE	IEEE	Non-IEEE
Student registration	RM1000	RM1100	USD250	USD300	USD350	USD400
Normal registration	RM1450	RM1550	USD350	USD400	USD450	USD500
Attendee	RM350		USD50		USD100	

All fees include registration and a copy of the proceedings. Morning tea breaks, lunches, and afternoon tea breaks will be provided for on-site presenters. The fees do not include bank transfer charges. Payment and registration can be made at **www.acscrg.com/iccsce2026.**
